Post Office Box 161
Carbondale, Pa. 18407

Dear Robert,

Through the effort of Tom Brennan, a city fireman, we have received an estimate for repairs to the clock in the Tower of City Hall. Enclosed, please find a copy of the estimate which I find quite reasonable for the replacement of the two x motors.

I plan to meet with Tom in the Columbia Hose Co. firehouse Monday, Nov. 23 to get more details on the clock and the Rodgers Clock Service firm.

The contract is good for 90 days.

I don't want tojump into this until we have had time to discuss both the estimate and fund raising possibilities. But it seems the ball has been started.

Also enclosed please find a article which is on the front page of the NEWS this week.

I hope to hear from you soon.

Sincerely,

David
